These are my absolute favorite scrubs ever. I love that styles have been changing to a more sporty sleek look and less bulky they're so flattering on the body. You'll look super-hot even in your scrubs.

I have been desperately searching for a good pair of joggers. After trying the expensive, popular scrubs everyone wears and finding their sizes were weird, I came across Med Couture. These are the scrub pants of my dreams. Absolutely in love.

*So the jacket is FABULOUS!
It's warmer than regular scrub
jackets, but not too warm like
you would think with a fleece
jacket. The fleece is very thin but
super comfortable!*
